"Because your mother was a whore," he replied dryly. There was a sad look in his eye as he set down the blood club. "Mommy did some very bad things with Daddy's boss and Daddy had to make them both go night-night."

"What did she and your boss do that was so horrible?" I asked.

"But I thought you put them to bed, you said you made them go night night!"

"It was a euphemism."

"What's a euphemism?"

"Forget it, you need to make me a promise, you have to promise me that you will..."

"Kill all the whores? No problem, I won't let you down daddy!"

"What? No, that isn't what I was going to say, I was going to say..."

But at that moment, Police burst into the room and took my daddy away from me. Of course that was a euphemism (I looked up what euphemism meant in the dictionary the next day), because when they burst in he shot one of them and started running, but then they shot him and he died. I ran away after they shot him, and that day I vowed to kill all the whores. But it wasn't going to be easy, because I didn't really know what whores were, so I looked it up on Google, and it said that a whore was a prostitute. So I decided that I must kill all the prostitutes.
